This form allows us to run a record check on the provided driver’s license to allow us to assure you are insurable. Running a Driving Record Check and the successful passing of this check is contingent on an employment offer from 4U Adult Day Service. We base our decision solely on the insurability of the potential team member per the criteria of our insurance provider – Bill Beichl Insurance, Wisconsin Rapids, WI. If our insurer and their underwriters determine that the potential team member is uninsurable in accordance to our business auto insurance, then we are unable to offer employment.

By signing below, you are allowing 4U LLC to run a record check on your provided information through www.4safedrivers.com and base our decision of insurability on the information provided by this record search. If there is inaccurate information we are unable to change our decision and it is up to the holder of the driver’s license to contact the State of Wisconsin Department of Motor Vehicles to correct any errors. Only after this is done can we re-consider the applicant based on the driving record and insurability.

Any and all information that is provided to us by 4safedrivers.com will be passed onto our insurer for approval by their underwriters.
